Design by arnau · reyna

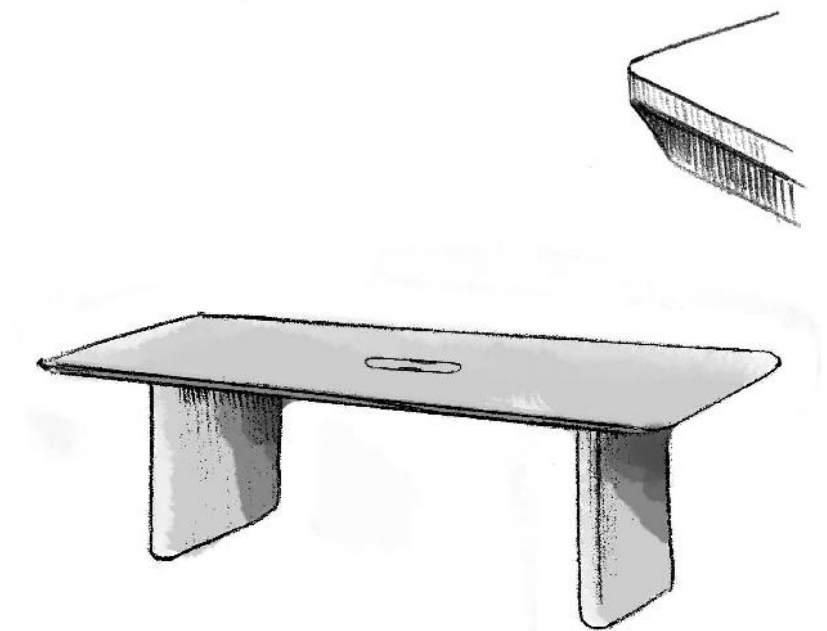

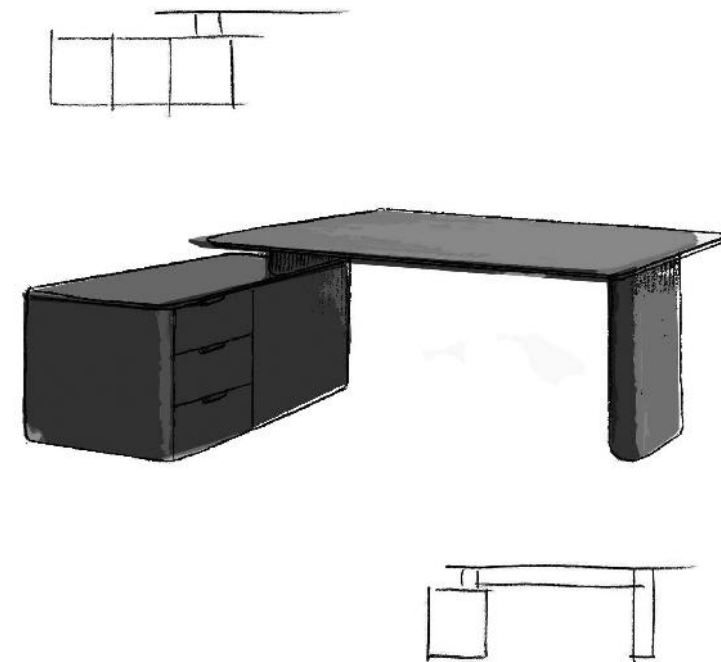

## DESIGN BY ARNAU · REYNA

EN| Ramón Arnau and Mariola Reyna met while studying Architecture in 2003. As they were finishing this degree, their passion for furniture design led them to continue studying Industrial Design together. They specialize in designing products that connect with the user and the spaces they inhabit, starting from simple ideas that evolve through the design process.

ES| Ramón Arnau y Mariola Reyna se conocieron estudiando Arquitectura en 2003, mientras terminaban esta carrera, su pasión por el diseño de mobiliario les llevó a seguir estudiando juntos Diseño Industrial. Especializados en diseñar productos que conectan con el usuario y los espacios que habitan, partiendo de ideas sencillas que evolucionan a través del proceso de diseño.
